

# GARMENT

**T**CI operates 13 manufacturing production and assembly factories across the state including, garment factories, textile mills, and mattress factories. Individuals working in these locations are responsible for producing agency necessities such as correctional officer and staff uniforms, and mattresses as well as products consumed by state agencies, cities, counties, and schools. Common job assignments include sewing machine operator, accounting clerk, machine operator, garment inspector, quality assurance technician, and material handler. Depending on the facility assigned, these workers can obtain certifications (OJT's), and an apprenticeship for Assembly Technician.

# FLAGS

## TEXAS FLAGS

Made of nylon or 100% cotton cloth with a plain weave. Reinforced spine with grommets for easy hanging. Delivery in 30 days.

# WINDSCREEN, VEST, & SMOCK

## WINDSCREEN

Windscreen is made of monofilament material similar to fishing line but much thicker, to give 70% blockage. It is knitted which keeps the material from tearing. It comes in many different thicknesses. Ideal for baseball, soccer, and football fields. Made to the customer's specifications. All windscreen will come with brass grommets.

Colors: Green and Black

## PROTECTIVE VEST (TACTICAL THRUST)

This is vest style protection, designed to be worn over clothing, but under outer garments such as coats and jackets. The protective material is made of 1000 Denier Cordura, with a soft inner liner for comfort. Four adjustable Velcro™ straps for side, back, and shoulder fit are included. One large pocket (radio size) and one small pocket (gas canister size) are provided on the vest front. Machine wash, cold water, drip dry. Inserts are not included.
